

How to Dispose of Garbage

Please post this where it can be seen and used for reference.

[Household-use designated garbage bags]

○ Bags are sold at local retail stores. They are sold in lots (1 lot = 10 bags).

Burnable Garbage (blue lettering)	Large	500 yen
	Medium	350 yen
	Small	250 yen

Marked Plastic (green lettering)	Large	100 yen
	Small	50 yen

Non-burnable Garbage (red lettering)	Large	500 yen
	Small	250 yen

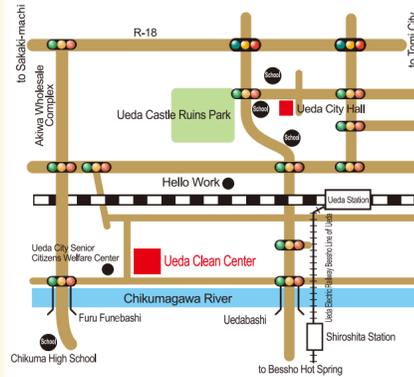

[Small business-use designated bags]

○ These designated bags are for use by small businesses run by individuals, which have difficulty separating household and business garbage.
 ○ When disposing of small business-use designated bags at a garbage collection location, prior authorization by the community association and application to the city is required.
 ○ Bags are sold at local retail stores. They are sold in lots (1 lot = 10 bags).

Small business-use Burnable garbage designated bag (orange lettering)	Large	1000 yen

How to Dispose of Garbage

Items to be placed at garbage collection sites

<p>Burnable garbage</p> <p>Each week □ day, □ day</p>	<p>marked plastics</p> <p>Each week □ day</p>	<p>Non-burnable garbage</p> <p>Each week □ day</p>
--	--	---

Garbage is collected even when the collection day is a holiday (excludes end, start of year)

Items which cannot fit in designated bags are classified as large garbage items.

Garbage must not protrude from bag, and tie must be able to be tied.

[Notices]

- Items not using the bags designated by Ueda City, bags which do not contain the local association name and your name, and items which are not properly separated will not be collected.
- A bag cannot exceed 10 kg, and you can only set out a maximum of two designated bags for each type of garbage at a time.
- Garbage must be set out by 8:30 a.m. on the day when it is to be collected. (By 8:00 a.m. for Shiota and Kawanishi districts, between 8:30 a.m. and 9:30 a.m. for Sugadaira for combustible garbage, between 7:00 a.m. and 8:30 a.m. for non-combustible garbage.)
- Companies, restaurants, inns, shops, etc., are responsible under law for requesting pickup by a waste disposal company or other means of appropriately disposing trash generated through business operations.

Please see annual recyclables collection calendar for collection days in each community association.
